Dear Potential Sponsor/Vendor:

The Villa Rica Parks and Recreation Department is known throughout the State of Georgia for providing innovative, quality leisure programs, facilities and activities that are designed to meet the diverse needs of the families it serves.

In May 2010, our new amphitheater will open in historic downtown Villa Rica. The purpose of the amphitheater is to encourage citizens and visitors to spend time in Downtown Villa Rica to experience the restaurant and retail offerings. With a wealth of quaint eateries and shops in the downtown area, the business community is supportive of an amphitheater to serve as a catalyst for increased visibility and quality of life for Villa Rica residents and tourists. Every city or town has a location that is considered a central gathering place for activity and energy. Our new amphitheater will be downtown Villa Rica's central gathering place. Events at the amphitheater will bring pride and quality of life to our community.

A number of free, family-friendly concerts and community events are scheduled. This is a partial listing.
