## **Murder at the Cafe' Noir**

The most popular mystery dinner show  
in the country, Murder at Cafe' Noir has  
enjoyed weekly productions coast to  
coast since its premier in 1989. This  
forties detective story features Rick  
Archer, P.I. out to find a curvaceous  
runaway on the forgotten island of  
Mustique, a place stuck in a black and  
white era. The owner of the Cafe'Noir  
has washed ashore, murdered, and  
Rick's quarry was the last person seen  
with him. He employs his hard boiled

talents to find the killer. Was it the French madame and club manager, the voodoo priestess, the shyster British attorney, the black marketeer or the femme fatale? The audience votes twice on what they want Rick to do next and these decisions change the flow of this comic tribute to the Bogart era.
