We would like to invite you and your family for an artful experience. A combination fall community event - an "Art Walk" and a public art mural dedication. Help us celebrate and showcase our city and vibrant West Georgia arts community as you stroll along South Candler Street for our "Art Walk" which begins at 3pm on Saturday, October 15. The street, open to foot traffic only, will be filled with artist booths representing various styles and art mediums. Students from local Carroll and Douglas County elementary schools will exhibit their works of art on a clothesline art display, and the Villa Rica High School Art Department will share their artistic talents. Whether you're young, old or somewhere in between, grab a handful of our chalk, get on your hands and knees and join others to create a masterpiece mural on the pavement. The centerpiece of the Art Walk is our newest addition to downtown, the Villa Theatre mural, a 137 foot by 28 foot mural located on the side of Cinema Tavern. Meet the artist and join city officials and local dignitaries at 4:15pm for the dedication. There is something of interest for every age group. While you are downtown, be sure to visit our shops and eateries on Montgomery Street and throughout downtown.

Downtown Design

Welcome to the cool (in more ways than one) month of October. What a great time to come downtown and enjoy one of the many events scheduled for this month. Whether it's resting on one of our beautiful benches, stopping to admire the cute and creative scarecrows or finding just the right piece of art or sculpture for your home at the South Candler Art Walk on October 15, there is something for everyone during the month of October.
